### PASTOR'S PEN

*"May God bless you with discomfort at easy answers, half truths, superficial relationships, so that you will live deep in your heart. May God bless you with anger at injustice, oppression, and exploitation of people, so that you will work for justice, equity and peace. May God bless you with tears to shed for those who suffer....so that you will reach out your hand to comfort them and change their pain into joy. And may God bless you with the foolishness to think that you can make a difference in the world, so that you will do the things which others tell you cannot be done."*

Some people still remember where they were and what they were doing when President Kennedy was assassinated. Many remember that same thing the morning the twin towers were attacked on Sept. 11<sup>th</sup>. I also still remember where I was and what I was doing when I first heard the words of the above quote. I was on the phone visiting with a fellow grant writer during my Community Action years in Nebraska. Amy mentioned that she had found a great quote that she was using for her Christmas cards and then she read it to me. I was deeply touched and asked her to send it to me. I don't have a source or credit for this prayer or blessing but I appreciate it as much today as I did the first time I heard it. What an amazing way for each of us to live and what an incredible vision for us as the Church. I keep returning to the idea of our Mission and doing "something beautiful for God." The above prayer comes at the same theme from a little different direction but always the intent is for us to stretch ourselves into a place of deeper caring and thoughtful and prayerful decision making, leading us into actions that bring life to others. The bulletin board is ready downstairs for some of your "foolish" ideas and our Annual Meeting is coming on January 22<sup>nd</sup>, where will talk together about our ministries as the "Body of Christ" in the world.

Thanks be to God.  
Pastor Jami

## Embracing Emergence Christianity

*Where do you believe God is leading?* Embracing Emergence Christianity is a six session Adult Education series that invites on a journey that may disturb us, may move us out of comfort zones and lead us into the new thing God is doing among us. Much like last year's Via Media series, each session begins with a short video that takes us into small group discussions. Phyllis Tickle, a participant in the Via Media discussions, leads the discussions and ideas shared in this fascinating study. Her enthusiasm for the globally changing culture of Christianity helps us focus on the times in which we live and the journey we are taking. She believes we are in a time of great upheaval similar to the Great Reformation in the 1500's.

This six session study will be our Lenten Study and held each Wednesday evening starting on February 29<sup>th</sup>. Times and more information coming closer to that date.

## VESTRY NEWS

Our newly elected Vestry Members for 2012 are: Senior Warden – Madeleine Murdock, Junior Warden – Cody Saxton and serving Three Year Terms – Sarah Hixson, Tim Crawford, and Aaron Arne. Thanks go to all of these people for their willingness to serve us in this ministry. The entire 11 member Vestry will gather on Saturday, February 11<sup>th</sup> for an entire day retreat to be held at ML Baxley's cabin in the upper Green River. At that time they will be conducting a Mutual Ministry Review of the past year and making plans for the upcoming year. If you have anything you would like them to discuss, please let Pastor Jami know or tell one of the Vestry members.

If you would like to volunteer in the nursery, refreshment duty, or other ministry, please let Pastor Jami or Cheryl know and you will be added to the ROTA.

## Music Notes, Coralee Petersen

Many thanks to all those who helped make beautiful music for services in Advent and for the Christmas services: most especially to the choir - I so appreciate your faithfulness; to Sue Holz for sharing her flute with us as she played with the choir; to Hattie McKay for playing for the early service on Christmas Eve; and to Sarah Anderson for lending her beautiful voice to all the Christmas Eve services both here and in Big Piney.

Many of you know that I had surgery on my left hand the last week in December; I am so grateful to Hattie and Marilyn Huffman for covering services for 4 Sundays while I have been healing.

Choir has been on hiatus for January. We will resume rehearsals at 10:00 AM on February 5. Anyone who likes to sing is welcome to join us.

Coralee Petersen

# A Voice in the Wilderness

Every Sunday morning, Cheryl Essington, Jen Arne and Patty Washburn guide the children through simple versions of our weekly liturgy using stories, crafts, games and songs. Currently there are only three of us and we are in dire need of at least two more teachers. We welcome Sunday School teachers to teach as many or as few Sundays as your schedule allows, even ONE! If you would like to learn more or take a look at the curriculum, please call Cheryl Essington, 360-7780 or [cherylessinton@wyoming.com](mailto:cherylessinton@wyoming.com).

As those of you at Tom Davenport's presentation on his trip to Tanzania will recall, he announced that Tally Bandy and Jessie MacKay's Karimu Foundation gave money to five graduates of Msalato, including Stephen Mnubi, to purchase motor bikes. This is so that they have a means, other than walking, to cover their pastoral areas. Stephen's area covers an area with thirteen small churches radiating from Bugari, Tanzania.

Because we suspected that Stephen's salary of about \$30 per month would not cover the cost of petrol, we asked if the Diocese covered the cost. Stephen said that it did not. We then asked the Reverend Canon Moses Matonya, principal at Msalato, what the minimum cost might be. He supplied the information that based on today's prices, the petrol to fuel Stephen's bike would cost about \$100 per quarter for minimal usage.

The good news is that a St Andrews congregant has contributed the funds for 1Q2012. Now the TCTG asks that you make donations to the Alcove Collection to fund the cost of petrol for the 2Q2011 and beyond. Please give generously☺

Tanzanian Connections Task Group

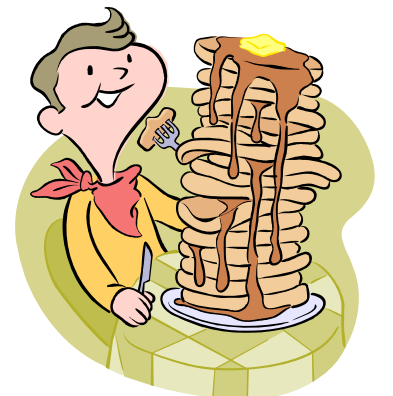

There will be a ECW meeting during coffee hour on Sunday, Feb. 12. We will be discussing ideas for a fundraising dinner to held at the church for the Pinedale community. Proceeds will go towards purchasing round tables for the undercroft. Please bring your ideas and thinking hats!

**ECW MEETING**

## PANCAKE SUPPER

Shrove Tuesday/ Fat Tuesday/Marci Gras comes on February 21<sup>st</sup> this year. This is the last day before Ash Wednesday and the start of Lent. Traditionally, on Shrove Tuesday people eat, drink, and be merry before entering into a season of sober repentance and penitence. ONCE AGAIN – our Middle School and High School Youth Groups will be serving a Pancake Supper at the church for everyone in the community. They will be assisted by the 3-5 Grade Sunday School class. Please mark the date on your calendar and make plans to invite others to this meal.
